## Grožnjan & Motovun with Truffles and Wine

Venture into the heart of Istria and experience the timeless beauty of its most picturesque hilltop towns - Grožnjan and Motovun. Known as the "Town of Artists," Grožnjan is filled with charming galleries, artisan shops, and the soft sound of music drifting through the air.

From there, enjoy a scenic drive through the Istrian hills to Motovun, a medieval jewel perched above the Mirna River valley. Gaze out over a breathtaking landscape of vineyards, olive groves, and the mystical Motovun forest - a region famed for its truffles.
