

# Opatija

walking sightseeing tour

Embark on a captivating journey through Opatija, a town that has gracefully transformed from a modest fishing village into a glamorous retreat for Austrian aristocracy. Join us on a walking tour that reveals the remarkable story of Opatija's evolution, from its humble beginnings to its status as the "Pearl of the Adriatic" and the cradle of Croatian tourism.

Stroll along the scenic seaside promenade, where you'll be surrounded by elegant historic mansions and lush flower gardens that mark the origins of this enchanting town. As we explore Opatija's picturesque streets, you'll uncover the rich history, vibrant culture, and unique traditions that have shaped this charming destination. Discover the tales of the locals, past and present, and gain insight into the town's ambitious plans for the future.

This tour offers a perfect blend of history, culture, and natural beauty, making Opatija one of Croatia's most beloved and beautiful towns.

Duration: 1,5 hours
