

Experience the Magic of Krk

A Journey for All Your Senses

Set off from the fairytale town of Opatija on a journey that blends natural beauty, rich history, and unforgettable flavors – all on the enchanting island of Krk.

Your adventure begins in the historic town of Krk, where time seems to slow. Wander through cobble streets echoing with the whispers of centuries past, from Roman mosaics to medieval fortresses and grand cathedrals that tell tales of a storied island.

Next, we head to Punat, where a short but magical boat ride carries you to the tiny islet of Košljun – a peaceful sanctuary wrapped in pine forests and centuries of spiritual and cultural heritage. The Franciscan monastery, ancient church, and intimate museum offer a rare glimpse into another world.

To crown your day, we visit Vrbnik – a proud clifftop village famed for its wine and character. In a rustic wine cellar, you'll taste the region's iconic Žlahtina wine, perfectly paired with homemade delicacies that reflect generations of tradition and passion.

This isn't just a trip – it's a full-sensory experience, rich with stories, flavors, and memories you'll carry with you long after the day is done.
