

# Plitvice Lakes

Private tour of the breathtaking lakes and waterfalls

Step into the magical world of Plitvice Lakes, a natural wonderland of sixteen crystal-clear, turquoise lakes connected by over a hundred cascading waterfalls. Surrounded by pristine mountain forests and filled with fresh, invigorating air, this UNESCO World Heritage site promises an unforgettable experience in the heart of unspoiled nature.

Your private tour begins at 8:00 AM with pickup from your hotel. Travel along the scenic coastal road to Senj, taking in breathtaking views of the Kvarner region before ascending the winding roads into Lika, home to Croatia's most visited national park. Upon arrival at Plitvice, embark on a leisurely guided walking tour of the lower and upper lakes, led by your private driver-guide. The tour includes a serene 20-minute boat ride across Lake Kozjak, the largest lake in the park, where you'll glide between lush landscapes and magical waterfalls. After your nature-filled adventure, enjoy a well-deserved break with the option to savor local culinary specialties at a nearby traditional restaurant. On your return journey, stop in the picturesque village of Rastoke, often called the "Little Plitvice" for its charming waterfalls and historic watermills.

Expect to return to your hotel in Opatija around 7:00 PM, with your heart full of memories and your camera full of beautiful moments.

Private tour includes:

- Mercedes Benz vehicle
- driver-guide
- entrances for National Park Plitvice Lakes

Price per person depending on group size:
