

# Plitvice Lakes

## Private tour of the breathtaking lakes and waterfalls

Visit the magical world of Plitvice Lakes, sixteen turquoise colored lakes with crystal clear water and over hundred waterfalls. Pure nature, mountain forests and fresh air leaves no one indifferent.

The tour starts at 8:00 am from hotel Hilton Costabella. Following a coastal road to Senj, you will have the opportunity to see the beauty of Kvarner region before you start climbing the serpentine to reach Lika region, famous for the most visited National park in Croatia - Plitvice lakes. Upon arrival, enjoy a couple of hours walking tour discovering lower and upper lakes with your private driver-guide. The visit of the park includes a 20-minutes boat drive on largest Lake Kozjak, which connects lower and upper lakes and allows you to explore magical waterfalls. After the tour, you will have a chance to try some typical specialties in local restaurants. The drive back to Opatija passes through the picturesque watermill village of Rastoke, locally known as small Plitvice, making it a perfect picture stop.

Return to the hotel around 7 pm.
