

# Truffle hunting

in the "Croatian Tuscany"

Enjoy meeting a local family of truffle hunters who will introduce you to their way of life, share with you their training process and explain the value of Istrian truffles. Follow the dog into the forest and witness the findings of the „black gold of Istria“. Savor aromas and flavors of delicious truffle delicacies. Visit Motovun in the afternoon, stroll down the cobbled streets and enjoy magnificent views of the vineyards, olive trees and river Mirna in the area which is often compared to Italian Tuscany.
