

Luxury wine tasting tour with a private sommelier

Join us for a wine tasting journey accompanied by our ASI certified sommelier Monika Neral, delve into the intricacies of winemaking as you visit esteemed estates and meet passionate vintners. Gain exclusive insights into grape cultivation, fermentation, and aging processes, enriching your understanding and appreciation of fine wines.

Indulge your senses with a curated selection of wines, thoughtfully paired with gourmet delights to enhance your tasting experience. Whether you're a novice or a connoisseur, our sommelier ensures a personalized journey tailored to your preferences.

Istrian wine has become a symbol of the Istrian region and identity. The difference of the soil makes Istrian wines unique and recognizable at prestigious competitions such as Decanter, where Istrian wine producers have been winning top awards.
