Discover the Magical Istrian Peninsula

Embark on an unforgettable journey through the heart of the Istrian Peninsula! After passing through the Učka Tunnel, enjoy a scenic drive through central Istria to one of its most enchanting gems - the town of Rovinj.

Located on the western coast, Rovinj captivates visitors with its colorful Venetian-style houses tightly packed along the waterfront, earning it the nickname “Little Venice.” A guided walking tour leads you through the charming old streets to St. Euphemia’s Church, a magnificent Baroque landmark perched at the top of the peninsula, where you can still see the saint’s sarcophagus dating back to the 4th century. The tour concludes with a stroll down Grisia, a picturesque street filled with art galleries and local studios. Afterwards, enjoy some free time to explore on your own.

The excursion continues to Motovun, a medieval hilltop town overlooking the Mirna River valley. Known for its rich cultural heritage and gourmet delicacies - particularly truffles - Motovun offers a true taste of inland Istria. Discover the beauty of Motovun on a guided tour and enjoy a 3-course truffle lunch with tasting of top-quality Istrian wines. Afterwards, take some free time to walk along the ancient city walls, visit local galleries, or browse shops with authentic regional products.
